Assistant Commissioner for Patents

Attention: Application Processing Division's  
Customer Correction Branch

Sir:

Attached is a copy of the corrected Official filing Receipt (Form PTO-103X) dated May 7, 1999. Applicants also enclose a copy of the Request for Correction of the Official Filing Receipt filed with the U.S. Patent and Trademark Office on April 24, 1998 which outlines the specific corrections required to be made to the first Filing Receipt that was issued. Upon receipt of the "corrected" Filing Receipt received on May 13, 1999, Applicants noticed that the corrections requested in the previous Request for Correction were not made. Please make the corrections to the Official Filing Receipt previously requested.

In addition, the "corrected" Filing Receipt indicates that this application has been given Small Entity status. In the application as filed on January 15, 1998 the Small Entity status was improperly claimed based on the status of the parent case (USSN 08/693,789). The small entity status was withdrawn during prosecution of the parent case. In Applicants Response to Notice to File Missing Parts of Application dated April 22, 1998 (copy enclosed) an attempt was made to clarify the status from small entity to large entity status and the proper fees were enclosed. Please correct the "Small Entity" status on the filing receipt by deletion.

Finally, Applicants submitted for filing a Power of Attorney from Assignee and Revocation of Prior Powers to the U.S. Patent and Trademark Office on October 26, 1998 (copy also enclosed). Since this paper was filed in October of 1998, five months prior to the mailing of the recently received "corrected" Filing Receipt, Applicants request that the Filing Receipt be corrected to indicate the current agent of record for this application.

In the event it is determined that a fee pursuant to 37 C.F.R. § 1.19(h) is required in connection with this request, the Commissioner is hereby authorized to charge payment of any fees associated with this communication or credit any overpayment to Deposit Account No. 03-3975. A copy of this sheet is enclosed.

Respectfully submitted,

OFFICE OF PETITIONS  
A/C PATENTS

Sir:

Small entity status was improperly claimed in this case when it was filed as a divisional of parent application 08/693,789 filed July 31, 1996. Although the error was partially corrected when the Response to the Notice of Missing Parts was filed, only the deficiency in the basic filing fee was paid. More particularly, the deficiencies for four additional claims and the terminal disclaimer were not remitted. As a result, pursuant to 37 C.F.R. § 1.28(c), Applicants remit the deficiency in the instant case between the amounts paid and the amount due and enclose a check in the amount of \$331.

For convenience, a table of the fees paid, the current fees, and the deficiency owed follows:

Item	Fees Paid	Fees Owed
1/15/98 - Divisional filing fee for basic application	\$395	\$790
1/15/98 - Fee for four additional claims	\$176	\$352
1/15/98 - Terminal disclaimer	\$55	\$110
4/22/98 - Surcharge for filing Missing Parts	\$130	\$130
4/22/98 - Deficiency for basic filing fee	\$395	----
Total	\$1,051	\$1,382
Amounted owed: \$1,382 - \$1,051 = \$331
